Mano Island Spirit – Coconut Dyed Crewneck T-Shirt

Many islanders see sharks as the reincarnated spirit of their ancestors who come back to protect and guide their living family members. Created with tribal artwork, you can see the Hawaiian spirit in this shark design that has a spiritual and powerful aura. Made using our exclusive specialty dyeing process that uses real coconut and featuring 100% combed ring-spun cotton. This t-shirt also has 50+ SPF protection to keep you feeling cool, calm and protected all year long. We only use environmentally friendly water-based inks that penetrate the material's fiber resulting in more vibrant colors, softer feel and artwork that doesn't crack or peel. Plus, it is proudly printed in the United States for quality you can see and designs that stand the test of time.
